The T2 of Your Dreams: Where the Sea is Your Daily View!

¶ Ever dreamed of a life where every dawn is a different painting? Here, the golden light of the sunrise is reflected in the sea, creating a natural spectacle unique to you.

Your balcony will be more than a space – it will be your private stage for unforgettable moments. Here, you will have 114 apartments spread over only 3 floors (including the ground floor), all with garage and storage, ensuring comfort and privacy.

¶ What if we told you that you can have a dream pool, open ALL year round? While many put away their swimsuits with the arrival of winter, at The Hills the pool is a permanent privilege. After all, in Madeira, time is always an invitation to immerse yourself in life!
